Georgia O'Keeffe Museum:

The Georgia O'Keeffe Museum is dedicated to perpetuating the artistic legacy of Georgia O'Keeffe (1887-1986) and to the study and interpretation of American Modernism (late nineteenth century-present). Located in Santa Fe, NM, the Museum's collections, exhibits, research center, publications and education programs contribute to scholarly discourse and serve diverse audiences. The largest single repository of the artist's work in the world, the Museum's collection includes a wide range of O'Keeffe paintings, drawings and sculptures. It is the only museum in the world dedicated to an internationally known American woman artist and is the most visited art museum in New Mexico.
